

Great Lakes Gabriel Project
sponsors 40 Days for Life, Indy

During the 40 Days for Life campaign some women scheduled for an abortion at Planned Parenthood see people praying nearby and believe that this is a sign that God wants them to reconsider their abortion. They sometimes approach the sidewalk counselors for help and are referred to **1st Choice for Women or the Great Lakes Gabriel Project.**

1st Choice for Women is a nearby pregnancy center operated by the Great Lakes Gabriel Project. 1st Choice services are FREE and include pregnancy tests, peer-counseling, ultrasounds and information about abortion and its alternatives.

The Great Lakes Gabriel Project is a network of churches trained and ready to provide relationship, material resources and emotional and spiritual support during pregnancy and after the baby is born.

40 DAYS FOR LIFE™

March 5th through April 13th
Join the world-wide movement to
protect mothers and babies!

40 DAYS FOR LIFE is a peaceful, prayerful – and proven effective – pro-life campaign that has already been embraced by more than half a million people worldwide.

40 Days for Life features three components:

PRAYER AND FASTING : Join with more than 500,000 other believers for 40 days of fervent prayer and fasting for an end to abortion.

PEACEFUL VIGIL: Shine a light on abortion in our community by peacefully praying in front of Planned Parenthood, 8590 Georgetown Road, Indianapolis, the busiest abortion center in Indiana.

COMMUNITY OUTREACH: Promote grassroots education in our community by distributing information through our churches, neighborhoods, families and friends and by contacting our legislators and encouraging them to support laws to protect human life.

Since the first 40 Days for Life campaign in 2007:
600,000 people in over 500 cities have joined to pray and fast for an end to abortion.
16,500 churches have participated in 40 Days for Life campaigns.
8,245 lives have been reported as spared from abortion – and those are just the ones we know about.
88 abortion workers have quit their jobs and walked away from the abortion industry.
44 abortion facilities have completely shut down following local 40 Days for Life campaigns.
